

Community Health Night

FASD 101

Join us for an educational evening about Fetal Alcohol Spectrum Disorder (FASD). This presentation is for everyone including individuals with FASD, caregivers, and people interested in learning more about FASD. Refreshments will be provided.

The FASD 101 workshop will provide you with:

- A basic understanding of FASD
- Tools for prevention
- Strategies to manage FASD stigma
- Available community resources
- Ways to support individuals living with FASD
- Opportunities to connect

Wednesday, June 27, 2018

5:30pm – 7:30pm

MNA Provincial Head Office, #100-11738 Kingsway NW, Edmonton

To register, visit mnaFASD101.eventbrite.com or contact [Amber Yarmuch](#) at [780-455-2200](tel:780-455-2200) Ext. 408 by Tuesday, June 26, 2018. Unable to join us in person? Watch us live on [facebook.com/ABMetis](https://www.facebook.com/ABMetis)

Community Health Nights are part of an ongoing initiative by the Ministry of Health, Children, and Youth at the Métis Nation of Alberta. Community Health Nights increase community awareness surrounding a variety of health-related topics.
