

Need transportation to your cancer-related appointments?

WE CAN HELP

The Métis Nation of Alberta (MNA) is pleased to launch the ***Compassionate Care: Cancer Transportation Pilot Program***. This program will offer MNA citizens in Regions One, Five & Six financial reimbursement for transportation to and from their cancer-related appointments. Funding is limited, but this pilot will guide the future expansion of this service to other regions.

Rider Eligibility:

- Must be a Métis citizen or in the process of getting citizenship;
- Open to all ages. If under 18, rider must be accompanied by a guardian;
- Must live in Region One, Five or Six. (Visit albertametis.com for a region map);
- In need of transportation to and from cancer-related appointments;
- Riders must have access to an operational vehicle;
- Must have a driver, e.g. family or friends, to and from appointments;

To apply for reimbursement, please contact the Program Administrator at health@metis.org or [780-455-2200 Ext. 432](tel:780-455-2200). Citizen ID MUST be provided to be considered for this program.
