### THE PROCESS OF SUBMITTING A COMPLAINT

#### Step 1 – Do I have a valid complaint?

The Métis Judiciary Council's ("MJC") mandate is to resolve a wide variety of disputes within the Métis Nation of Alberta. The following are issues that the MJC would deal with:

- Review and decide all matters of membership that are in dispute.
- Review and decide all matters respecting the Métis Nation of Alberta Association Election By-Laws where there is a dispute.
- Review and decide matters of the suspension and reinstatement of Métis membership privileges.
- Review and decide all matters concerning conflict of interest.
- Recommend changes of boundaries for regions and local communities to the annual general assembly.
- Decide whether a member of the provincial, regional or local council shall remain in office in the event they are convicted of an indictable offence under the *Criminal Code of Canada*.
- Provide to the provincial, regional or local council a written opinion on any question presented before the MJC.
- Undertake reviews as directed by the provincial, regional or local council.

### **Step 2 – Complete all submission forms**

Your complaint must be in writing, preferably typed and printed. A summary of your complaint should include all relevant facts and correct naming of parties who are involved, either by act complained of, or as witnesses who can verify your complaint, or part of it. Once completed, you must sign your summary. You may have additional Complainants sign your complaint submission as well. Originals are preferable, but legible photocopies are acceptable. Include all the information that you can in order to better assist the MJC in understanding your complaint and the grounds you have for raising it.

### **Step 3 – Obtain and complete a submission cover sheet**

The Complaint Submission Cover Sheet must be completed and attached to the front of your complaint summary. This is necessary for record-keeping purposes, and to ensure that we have the necessary information for all parties involved. If there is more than one Complainant, write their names, addresses, and contact information on a separate piece of paper and attach it to the back of the Complaint Submission Cover Sheet, making it clear that there are additional Complainants. Please be aware that if you are challenging someone's membership, you must have three (3) Complainants in total. If there are more than one Respondent, write their names, addresses and contact information on a separate piece of paper as well, and clearly indicate that they are additional Respondents.

## **GENERAL INFORMATION**

The Métis Judiciary Council (“MJC”) was created in Article 29 of the By-Laws of the Métis Nation of Alberta Association and is the final Métis Judiciary authority of the Métis Nation of Alberta. The intent of creating the MJC was to provide an unbiased decision-making body which is independent from the political process. To ensure its impartiality, the MJC was allocated its own budget and operates from a different office than the Métis Nation of Alberta Association offices. Members of the MJC are prohibited from holding elected or employment positions within the Métis Nation of Alberta and must take an Oath of Allegiance.
