PRESIDENT'S MESSAGE

I would like to extend a warm welcome to all of our readers. This Otipemisiwak is a special edition that is designed to inform Métis Nation of Alberta citizens on Alberta Métis governance. In the following pages, you can find information on MNA Bylaws, Special Resolutions, voting procedures, and much more. We also have included information on what to expect for this year’s AGA and how you can get involved.

With recent groundbreaking court decisions (such as the 2016 Daniel’s Case victory) and government agreements, this is an exciting time to get involved. On January 30, 2017, MNA became the first province to sign a Memorandum of Understanding (MOU) with the Government of Canada. A few days later, on February 1, 2017, MNA Provincial Council and myself finalized a pioneering ten-year Framework Agreement with the Government of Alberta. In this momentous time, it is imperative that our Nation works together.

With that being said, I would like to direct our readers attention to how you can get involved to help drive our Nation forward; mainly, understanding the history of our people, where we are today, and what is possible. To help facilitate this learning, MNA is kicking off this year’s Annual General Assembly with a Métis Rights Conference on Friday, August 11, 2017. I highly encourage all of our citizens to come and learn about Métis rights history, where we stand today, and what is being done to further the Nation.

If you have never immersed yourself in MNA governance or politics, I hope this edition of Otipemisiwak makes joining in a little bit easier. If you are well versed, I hope you find the following pages interesting and useful. Please enjoy what we have planned for this year’s Annual General Assembly.

Kind Regards,

Audrey Poitras
President, Métis Nation of Alberta

Under the leadership of Charles Delorme in 1928, the first official Assembly was held near Frog Lake. This gathering marks the beginning of Métis Nation of Alberta’s history. The political uprising was a response to the conditions the Métis of Alberta had been suffering since the late 1800s, especially after Louis Riel’s execution in 1885. The Métis Nation suffered oppression and marginalization through calculated efforts to eradicate the Métis way of life and culture. Though no two Métis had the same experience, many endured countless injustices within the Scrip and Residential School systems, leaving the Métis Nation, as a whole, greatly wounded. Not to be forgotten or destroyed, a small group of Alberta Métis drew from the laws of the Buffalo Hunt to form a government to negotiate with the Government of Alberta.
In 1932, Malcolm Norris, Jim Brady, Peter Tomkins, Joseph Dion, and Felix Calliou (the Métis “Famous Five”) formed L’Association des Métis d’Alberta et les Territoires du Nord-Ouest, what would later become the Métis Nation of Alberta. The photo on the left shows members of the Métis Association (now Métis Nation of Alberta) meeting with Members of the Legistlative assembly in Edmonton 1932. Back row (left to right) MLA Joseph Miville Déchene, Felix Calihoo, MLA Leonidas A Giroux, Peter Tomkins. Front row: Secretary Jim Brady, Rev. Father Fahler, President Joeseph Dion, Bishop Guy, Malcolm F. Norris, and Peter Tomkins Sr.

The Famous Five would go on to pressure the Government of Alberta on behalf of the Metis population for a protected homeland, the Métis Settlements. In response to their lobbying, the Alberta legislature established the Ewing Commission (a royal commission) of 1934–1936. The report called for a Métis land base provided by the provincial government. After the Association established the Métis Settlements, they worked to advance Métis health, education, housing, and much more.

To learn more about what today’s Annual General Assembly looks like, please read on.
The Annual General Assembly (AGA) is Métis Nation of Alberta’s (MNA) most important annual event, offering political direction for the year, as well as invaluable opportunities to gather and socialize. The Assembly governs and directs MNA via Special Resolutions, which in turn, change our Bylaws (a document that gives us our direction and protocols). This is the chance for all of our members to have a say in what happens with their government. Usually lasting a few days, the AGA has many separate events. The most important event is the Business Meeting. The Business Meeting is where Resolutions are voted on in a direct-democratic fashion, meaning all MNA members (16 years of age or older) are welcome to vote on issues that affect them. In addition to voting, any MNA member (16 years of age or older) can propose a Special Resolution to be voted on and possibly passed. To learn about how to amend the Bylaws, the origin of the AGA, and what a Special Resolution is, please read on.

Below are some photos of last year’s AGA at Métis Crossing. Opposite, we have some historical photos of AGAs from past years. The bottom left-hand photo shows the late Harry Daniels sitting at MNA’s 1972 AGA.
The Bylaws of Métis Nation of Alberta (MNA) are the written rules of conduct governing the Métis Nation of Alberta at the Provincial, Regional, and Local level. In essence, they are our laws. In total there are 79 bylaw articles that instruct and bind the governance procedures of MNA. A key article in the Bylaws is Article 12, which outlines the government of MNA as the Provincial Council, Regional Council, and Local Council, and instructs who sits on these councils. Other notable articles in the Bylaws include Articles 13, 14, and 15, which outline the powers of the Provincial Council, Regional Councils, and Local Councils, respectively.

The Bylaws also include three schedules which are attached sections that form part of the bylaws:

- Schedule “A” of the Bylaws is the ‘Oath of Membership’;
- Schedule “B” is the Boundaries Map of the 6 MNA regions; and
- Schedule “C” is the Métis Nation of Alberta Election Bylaws.

To become familiar with the MNA Bylaws, please visit our website at albertametis.com/governance/bylaws/.
Passing a Special Resolution is the only way to change the MNA Bylaws. A Special Resolution must include the suggested bylaw change and is presented at an Annual General Assembly for members to vote on. It can only pass with a minimum vote of 75% agreement of the MNA members physically present at the Business Meeting. Each year, members who wish to amend the bylaws can submit their own Special Resolution to the MNA Head Office by the set deadline. For an example of a Special Resolution, please see page 24 of this newsletter.

**Special Resolutions**
A Special Resolution is a formal request to change the MNA Bylaws. Any MNA member over 16 can submit a special resolution. It must be voted on at an AGA to be passed.

**Bylaws**
The written rules of conduct governing MNA.

**Want Change?**
The only way to change the Bylaws is with a Special Resolution.

**Now What?**
After the deadline, MNA releases the submitted special resolutions to all members to read.

**The AGA**
All special resolutions are presented at the AGA Business Meeting.

**Submission**
- Find a voting member to second your resolution
- Send to MNA Head Office by the deadline

MNA notifies members of deadlines using a variety of print and online media.

**Voting**
Attendees then vote. Voting is by show of hands. If requested, the vote will go to a secret ballot.

- **75% in favour:** The Special Resolution is passed.
- **Less than 75%:** The Special Resolution is lost.
Many of us know the Buffalo Hunt played an integral role in the development of our Métis Nation. Buffalo hunting provided Métis people with a livelihood and helped sustain our mobile economy. What is less commonly known is that our strong democratic traditions in Métis governance have their roots in the Buffalo Hunt. Each new hunt began with the community gathering to reinstate the rules of the previous hunt and to elect the leaders of the new hunt. The Métis community would elect members of a Buffalo Council, who would then create laws of the Buffalo Hunt to ensure efficiency, protection and discipline. In order to become authorized, all rules had to be agreed upon by the entire community through the council process, making it one of the earliest forms of direct democracy in North America. This council process now takes the form of our Annual General Assembly.
Traditional Métis Laws of the Buffalo Hunt

1. No buffalo to be run on the Sabbath-Day.
2. No party to fork off, lag behind, or go before without permission.
3. No person or party to run buffalo before the general order.
4. Every captain with his men, in turn, to patrol the camp, and keep guard.
5. For the first trespass against these laws, the offender to have his saddle and bridle cut up.
6. For the second offence, the coat be taken off the offender’s back, and be cut up.
7. For the third offence, the offender to be flogged.
8. Any person convicted of theft, even to the value of a sinew, to be brought to the middle of the camp, and the crier to call out his or her name three times, adding the word “Thief,” at each time.

The initiation of these laws marks the first steps the Métis Nation took towards self-government. According to Christopher Adams, though the laws allowed leaders to organize the hunt, it also allowed them “to oversee the stewardship of the land and resources derived from it”\(^1\). The election of the Buffalo Council effected more than just a hunt, but formed one of the first democracies in North America. Though Métis governance structure is more formalized today, MNA and other Métis governments still ensure all citizens’ concerns and voices are heard annually.

Meet Your Métis Leaders

Provincial Council serves as the representative body and political voice of the Métis in Alberta, responsible for governing the cultural, educational, economical, political, and social affairs of Métis Nation of Alberta. Provincial Council is comprised of a Provincial President, Vice-President, and twelve elected members, two from each of MNA’s six regions. Provincial Council members are elected by their region for four-year terms and may run for re-election. The President appoints Provincial Council Members to one of MNA’s seven ministries, where they serve as Ministers or Co-Ministers as they help build a strong Métis Nation.
As the longest serving President of MNA, Audrey Poitras was first elected to leadership in 1996 as the first female provincial president. For over two decades, President Poitras has been a passionate advocate for Métis rights and programs. As leader, President Poitras has supported the growth of Métis communities throughout the province. Along with key stakeholders, President Poitras has negotiated partnerships with colleges and universities, ensuring Métis Endowment funds of $22 million to date. Over her time as MNA President, she has facilitated the creation of MNA's Rupertsland Institute, a Métis Centre of Excellence, which promotes education, training, and research, enriching the lives of countless Métis in Alberta.

With the help of the recent Supreme Court of Canada’s Daniels Decision, President Poitras continues to negotiate landmark political agreements. In recent months, President Poitras has negotiated the first ever Memorandum of Understanding (MOU) between Métis Nation of Alberta and the Government of Canada and the most comprehensive Provincial Framework Agreement in MNA history. Throughout her leadership, President Poitras has been honoured with numerous awards and recognitions, including receiving a National Aboriginal Achievement Award, being named one of Alberta’s 50 most influential people by Alberta Venture magazine (2005), and Alberta Chamber of Resources selecting her as Indigenous Leader of the Year (2017).

As a Métis leader, his top priority is getting more involved with Region 5 by supporting initiatives to create new locals. His favourite part of serving as Vice-President is working as hard as he can for MNA members.
REGION 6
MNA REGION 6 PRESIDENT SYLVIA JOHNSON
MINISTER OF HEALTH, CHILDREN, AND YOUTH

Sylvia Johnson was born in Peace River, the eldest of six children in the Raymond Goulet family. She is a proud Northwestern Alberta girl and plans on being buried there, in the land she loves. Sylvia was elected in 1999, serving three terms. After taking a leave for one term, Sylvia returned to leadership in 2011.

Over her career, the greatest honours she has received come from the people. Through the gifts and gratitude children, youth, members, families, and elders (as well as the local communities in the north) bestow is more than she ever wished for. Two of her cherished awards include the Golden Eagle Award, presented by the Native Women of Canada, and the Queens Diamond Jubilee Medal from MP Chris Warkentin. Sylvia enjoys helping the people, and there is no one that she would refuse to help so she was extremely pleased to receive One of the Seven Sacred Sacraments in Grande Prairie, National Aboriginal Day, the sacrament of unconditional love. Most of all, Sylvia appreciates a simple thank you. Her priorities are to maintain strong relationships with members, industry, and community. The Region 6 office is always on the hunt for new ideas, programs, training and resource/revenue to ensure that all opportunities for youth, elders, and all our people are available. For Region 6, she also wants to ensure members feel welcome to the office, doors remain open, the coffee is hot, and someone is present to hear what members have to say.

MNA REGION 6 VICE-PRESIDENT CAROL RIDSDALE
CO-MINISTER OF REGISTRY, GOVERNANCE, AND JUSTICE

Being elected a Métis leader was certainly a proud moment in Carol Ridsdale’s life. She was first elected as Vice-President of Region 6 in September 2011 and is currently serving her second term. Carol was born in the strong Métis Community of Fort Vermilion and spent most of her childhood on Paddle Prairie Métis Settlement. In 1996, while serving the University of Alberta's Aboriginal Student Council Board, Carol found her political inspiration. As a Provincial Council member of the Métis Nation of Alberta, she was honoured to be named Co-Minister of Registry, Governance, and Justice.

In the Ministry of Registry, the highest priority is to reduce wait times for Métis citizens to get their cards and to further develop the MNA genealogy research department. They are also working on innovative ways to be more visible in all Métis communities in Alberta to provide history of MNA registry and to assist members with application process to obtain their card. Carol also notes the Registry Department would like to work on family trees as it is so important for the Métis community to know their history. Being a leader at this time is a great honour and for Carol and she is very proud to be working for Rights for Métis citizens in Alberta. She hopes everyone has an enjoyable and memorable 89th Annual General Assembly.
Métis Nation of Alberta’s citizens have repeatedly voted to protect the voice and interest of youth at past Annual General Assemblies. In 2016, the 88th Annual General Assembly resolved “that this Assembly support the establishment of a provisional youth council, and the MNA find the funds to put that plan into action and provide administrative support, with regional and provincial youth advisory support.”

Since our citizens voted to create a Provisional Youth Council, MNA has been hard at work to ensure the success of this Council. Each MNA region appointed one youth member to serve on the Provisional Youth Council, while MNA head office hired a Provincial Youth Coordinator. The Provisional Youth Council is comprised of six youth who are passionate about ensuring Métis youth are engaged and supported.

The 89th Annual General Assembly is an important gathering for all Métis youth. This year’s Youth Conference promises to be the best to date.

On August 11th, 2017, Métis youth ages 15-29 are invited to participate in a Career Exploration Conference at MNA’s 89th Annual General Assembly. The conference aims to inspire and expose youth to a variety of education and career options, mentors, education and employment support services, as well as financial supports for Métis youth considering post-secondary education and other training to employment opportunities. Youth will have an opportunity to choose from a selection of break-out sessions with career professionals from a wide range of occupations to learn more about careers that interest them, as well as engage with representatives from post-secondary institutions such as NAIT, University of Alberta, Northern Lakes Colleague, MacEwan University and prominent distance education Athabasca University about programs and admission requirements. The conference will also include Métis culture and team-building activities, such as Métis sash-weaving, york boat painting instruction, and an exciting Escape Room activity. The youth will join with the main AGA event attendees at 6:00 pm for a picnic at Riverfront Park and an opportunity to perform at an Open Mic.

*Social Insurance Numbers (SIN) are required for youth taking part in the 89th AGA Youth Conference. If you require assistance applying for your SIN, please contact Tania Kruk at tkruk@metis.org or (780) 455-2200 ext. 239

A big thank you to Region 6 for donating a laptop, valued at $1,000, to be handed out to one this year’s attendees!

Youth will join the AGA Business Meeting and Banquet
A drop-in room with activities will be available for youth 13-15 years old for the duration of the Business Meeting
A Mobile Mammography Unit and a Mobile Health Unit will be made available to our female members at this year’s Annual General Assembly in Peace River on August 11 and 12, 2017. The Mobile Mammography Unit is offering breast cancer screening (mammograms), while the Mobile Health Unit will provide cervical cancer screening (pap tests). Regular cervical cancer screenings can identify cancers in early stages, prior to symptoms, and prevent 90% of cervical cancer. Breast cancer screenings can identify cancerous cells 3-5 years before any lumps can be felt.

Take advantage of this community-led initiative to bring essential cancer screening services to our Métis community in Alberta. It is integral that our community takes advantage of this cancer screening opportunity so that MNA can advocate to bring more health services to our community.

Reserve your appointment by calling Christine Dyck @ (780) 455 -2200.

*A big thank-you to Region 6 for your donation and for your support of Métis women’s health!
Join the Métis Nation in celebrating recent victories and all that is possible! The history of Métis Rights in Alberta is fascinating and intriguing. To help navigate the history and present-day realities of Métis Rights, on Friday, August 11, 2017, Métis Nation of Alberta will be hosting a Métis Rights Conference as part of our Annual General Assembly. As our Nation joins to partake in the most important political event of the year, citizens will also (with the help of expert speakers) be able to look back on where we have been, understand what is being done today to pursue rights, and what is possible. Topics of discussion will include:

∞ Understanding the Basis for Métis Rights in Alberta;
∞ Advancing a Nation-to-Nation Relationship with Canada;
∞ Métis Section 35 Rights; and
∞ Question and discussion periods.

Breakfast and lunch will be provided.

For the purposes of these Bylaws, a member and a citizen or membership and citizenship mean the same thing.

MOVED BY: MARLENE LANZ  SECONDED BY: AUDREY POITRAS
WHEREAS the recognition and advancement of Métis rights is one of the foremost priorities of the Métis Nation of Alberta ("MNA");

WHEREAS the Crown, as represented by Canada and/or Alberta, is required to consult with the MNA—as the government of the Métis Nation within Alberta—in relation to decisions or policies that may impact collectively-held Métis rights, interests and claims throughout Alberta;

WHEREAS the MNA—as a democratically elected Métis Nation government—is comprised of the Provincial Council, Regions and Locals and these Métis self-government structures must work-together-to ensure Métis rights, interests and claims are respected, protected and advanced throughout Alberta;

WHEREAS it is the MNA’s position that all members have the right to be engaged on consultation and accommodation and share in the benefits that flow their collectively-held Métis rights, interests and claims, and, that Crown consultation owing to the Métis should not be limited to just a few selects individuals, some Locals or one region or area of the province;

WHEREAS the 2016 Annual Assembly adopted a Statement of Principles on Crown Consultation with Metis in Alberta, which included direction to arrive at mutually agreeable Regional Consultation Protocols ("Protocols") that set out how the Provincial Council, Regions and Locals will work-together-to ensure that the Crown's consultation and accommodation obligations owing to Métis in Alberta were being met;

WHEREAS based on that direction from the 2016 Annual Assembly several Protocols have been negotiated and signed amongst the Provincial Council, Regions and Locals across the province, while others continue to be discussed with a view to arriving at mutually agreeable Protocols in the near future;

WHEREAS the MNA has been engaging in discussions with Alberta on the development of a provincial Métis Consultation Policy based on these Protocols and the Statement of Principles on Crown Consultation with Metis in Alberta with a view to arriving at a mutually agreeable policy, which would provide recognition and capacity to undertake consultation activities based on these Protocols;

WHEREAS recent Alberta court cases have highlighted the need for the Provincial Council, Regions and Locals to work-together-on these issues or consultation obligations owing to Métis in Alberta may be completely denied with the judge in the Fort Chipewyan Métis Nation of Alberta Local #125 v Alberta case writing the following:
“In a situation where the MNA, MNA Region 1, and the FCM Local purport to represent the Aboriginal rights holding Métis of Fort Chipewyan with respect to consultation, it is obvious that ascertaining who speaks for the Métis in asserting Aboriginal rights and seeking Crown consultation becomes a critical issue to be resolved. As such, this Court agrees with the Alberta Crown’s submission that it would amount to a waste of resources for the Alberta Crown to potentially have to consult with several separate organizations who state that they represent smaller or larger subsets of the same group in respect of the same interests and the same project. It is efficient and justifiable for the Alberta Crown to seek some assurance that it is consulting with the authorized representative of an Aboriginal collective.”

WHEREAS, since the release of this court decision, Alberta has confirmed in writing that it “does not currently engage in rights-based discussions with Local Associations,” however, it working with the MNA to “develop a non-Settlement Métis Consultation Policy,” which will recognize and engage with the structures agreed to in the above-mentioned Protocols for the purpose of consultation and accommodation;

WHEREAS the court also noted the need for Métis groups to have express “authority” in their bylaws in order to authorized to deal with Crown consultation on behalf of their members, and the 2016 MNA Annual General Assembly adopted a new oath of membership that includes this express authority within the MNA Bylaws, which is shared amongst Locals, Regions and the Provincial Council through the processes set out in the above-noted Protocols;

WHEREAS other Métis Nation governments, such as the Manitoba Métis Federation and Métis Nation of Ontario, have developed their own Crown consultation approaches that rely on similar authorizations, oaths and authorities in their Bylaws, which Canada and the provinces of Manitoba and Ontario respect and rely on;

THEREFORE BE IT RESOLVED that in furtherance of ensuring Métis in Alberta are consulted and accommodated in relation to their rights, interests and claims, the following sections be added to Article 12 of the MNA Bylaws:

12.4 The Government of the Métis Nation, as authorized by its Members, and, the communities comprised of those Members, is owed Crown consultation and accommodation prior to other governments or entities making decisions or policies that have the potential to impact collectively-held Métis rights, interests and claims.

12.5 Consultation and accommodation with the Government of the Métis Nation shall take place based on the Statement of Principles on Crown Consultation with Métis in Alberta that has been adopted by the Annual Assembly, as amended from time to time, and, the Regional Consultation Protocols negotiated and signed pursuant to the Statement of Principles on Crown Consultation with Métis in Alberta.
