Research and Program Coordinator – Maternal and Perinatal Health (RPC- MPH)

Location: Métis Nation of Alberta Provincial Head Office (Edmonton, AB)

Closing Date: Wednesday, May 2, 2018

Position Status: Full Time (40 hrs per week)

The Organization

Since its inception in 1928, the Métis Nation of Alberta (MNA) has governed the Métis within Alberta. The MNA is led by a democratically elected Provincial Council, comprised of a Provincial President, a Vice-President, and six regional Presidents and Vice-Presidents. This Council works toward the mandate of the MNA, supporting practices of transparency, accountability, and inclusiveness for Métis Albertans in government policy and decision-making processes. The MNA promotes and facilitates the advancement of Métis people through self-reliance, self-determination, and self-management. For more information about the MNA, visit <http://www.albertametis.com>.

The Opportunity

The Provincial Office of the Métis Nation of Alberta (MNA) is recruiting for a full time Health, Children and Youth Research & Project Coordinator (RPC) focused on Maternal and Perinatal Health. Reporting to the Senior Manager of Health, Children, and Youth, the RPC will assist with evidence-based maternal and perinatal health outcomes among Métis Albertans.

Key Responsibilities

- Conduct literature reviews on various topics related to maternal and perinatal health specific to Métis Albertans.
- Assist with the evaluation of maternal and perinatal health outcomes among Métis in Alberta.
- Assess the role of proximal and intermediate determinates of health on important Métis maternal and perinatal health outcomes.
- Explore the perspectives of Métis Albertans on determinates of maternal and perinatal health.
- Assist with the development of a qualitative research component for Métis Albertans.
- Assist with the program design and preparation of communication plan.

Skills & Competencies

This position requires a motivated, confident, and driven individual who is passionate about Métis research, culture, and has excellent analytical and writing skills.

- Ability to produce professional documents, reports, and presentations.
- An in-depth understanding of the MNA and Métis culture.
- Exceptional verbal, written, listening, and interpersonal communication skills.
- A proven track record of building collaborative partnerships with a variety of internal and external stakeholders, including government, industry, service providers, and community.
- Recognized strength in leading and engaging teams and creating a culture that promotes the development of individual and organizational capacity.

Qualifications

Post-secondary degree in a related field with a research focus is required.
