1. This database is solely for contact information purposes alone. The only criteria for inclusion in this database is that the person be a registered member of the Métis Nation of Alberta, or in the case of a company, be owned by a registered member(s) of the Métis Nation of Alberta, and that the company listed is at least 51% Métis owned.
2. Other than indicated above, the individuals and companies listed in this database are not affiliated with the Métis Nation of Alberta and the Métis Nation of Alberta has not reviewed the qualifications or experience of any of the persons listed in the database. Consequently, the Métis Nation of Alberta makes no representations, promises, warranties or guarantees about the quality of workmanship or any other attributes of any of the persons listed in this database.
3. By registering for this database, it does not guarantee the individuals or companies registered will be contracted for work.
4. Registration on this database does not negate or replace any pre-qualification process required by the individual client issuing a Request for Proposal or Request for Bid package.
5. Users of this database do so at their own risk. By using this database, either for search purposes or to be listed within as a contractor, the user agrees that in no way whatsoever shall the Métis Nation of Alberta be held liable for any losses, debts or damages that may arise or be occasioned by the user, directly or indirectly, in conjunction with the use of this database and the user hereby expressly releases the Métis Nation of Alberta from any such losses or damages.
6. Without limiting the generality of the above provisions, the Métis Nation of Alberta shall not be responsible in any way for ensuring that: (a) contractors listed in the database meet all of the obligations of any contract undertaken by them; and/or (b) contractors are properly paid for any work completed by them in accordance with any contract undertaken by them.
