In honour of Louis Riel Day, the Métis Nation of Alberta (MNA) has declared the week surrounding November 16 as Métis Week. This week is devoted to commemorating the sacrifices of the Métis who continue to strive toward rights and recognition as a distinct nation. It honours the commitment Métis people share in striving for and promoting the visions of Louis Riel, making it one of the most important dates in the Métis calendar.

The Kohkom Kisewatisiwin Society is proud to honour Métis Week, by hosting a full day of activities with guest speakers, including MNA President Audrey Poitras, Métis historians and Métis entertainment.

*We acknowledge the instrumental role that Métis people had in the establishment of our country, and together we can celebrate their history, culture and contributions they continue to make.*
