

Métis Family Resource Program

The Métis Family Resource Program can be an essential link between the child, family, community, and Alberta Children's Services by:

- Strengthening family and engaging community through Métis culture
- Providing client-centered culturally sensitive approaches to wellness
- Assisting with MNA citizenship registration for children in care, adoptees, and persons with previous Alberta Children's Services involvement
- Developing culturally appropriate family plans with Alberta Children's Services staff
- Offering in-person cultural training, resource referral, and support planning to kinship caregivers and foster families caring for Métis children
- Advocacy and community-based referrals
