

COMMUNITY DISABILITY WORKSHOP SERIES

Learn how to navigate and access disability services!

Join our **Children and Family Services Department** for a community workshop series!

We know how overwhelming it can be to navigate the system on your own. To help, we have partnered with the Gateway Association to explain the process.

Join us **ONLINE** for one, two, or all three workshops!

PRESENTER: KATIE SUVANTO

*Indigenous Relations & Community Development Manager,
Gateway Association*

Gitxsan First Nation, Finland, Treaty 8
