

## **Production Labourer**

Trimay Wear Plate is the leading manufacturer and distributor of overlay wear plate & pipe, rubber lined pipe, welding consumables, and VR connectors. Trimay has a manufacturing facility and head office in east Edmonton, and services an international customer base in a wide range of industries, including mining, oilfield, forestry, asphalt and power generation.

We are currently looking for a Production Labourer to join our team. The position will report to the Plant Manager and will be part of an existing production team. Ideally, candidates are willing to learn new skills in various positions in the manufacturing plant as required by the Plant Manager. Duties will include but not be limited to:

- Delivery and pickup of products
- Loading and unloading products in a safe manner
- Learn to operate various types of machinery as required
- Assist table operators while gaining experience
- Participate in training and cross training of plant positions
- Willingness to gain safety and quality training requirements

The production labourer must possess the following:

- Class 5 clean driver's licence (abstract required)
- Enthusiastic and willing to learn new skills
- Ability to work well in a team environment
- Ability to shift from one job to another with little notice
- Assist in keeping a clean, safe work environment
- Assist in keeping yard clean and lawn mowed
- Ability to lift 100 pounds

Compensation to be determined. Benefits will be provided after 3-months of employment.
