

FLOOD SAFETY TIPS

SCAN HERE
FOR MORE

BEFORE

- Download the Alberta Rivers app.
- Maintain your household, vehicle, and pet emergency kit.
- Store essential documents securely above ground.
- Seal basement windows and doors.
- Ensure downspouts direct water away from your property.

DURING

- Do not travel through flooded areas.
- Keep up to date with local authorities.
- Have an emergency kit ready, including essential documents.
- Bring pets during evacuation.
- Ensure livestock can escape enclosures.
- Abandon vehicles in fast-rising waters.

AFTER

- Only return to your property if local authorities have deemed it safe.
- Wear protective clothing and equipment.
- Stay informed about local water safety advisories.
- Avoid contaminated water.
- Don't use appliances until inspected.
