

WILDFIRE SAFETY TIPS

Call 911 or 310-FIRE (3473) to report wildfires

Safety first

Find the evacuation location, don't attempt to fight the fire, protect yourself from smoke, seek medical help if needed, and follow local authorities' guidance.

Stay connected and together

Create an emergency contact list and emergency plan with family, friends, neighbors, and community members.

Create a 72-hour emergency kit

- Food and water
- Clothing and bedding
- Light
- Equipment
- Hygiene items and medication
- Documents and identification
- Distraction and comfort items

Stay updated

Download the Alberta Wildfire app and follow the Otipemisiwak Métis Government on social media platforms to stay up to date on current information.
