

# What Act C-92 Means to Me

as a Métis Parent or Caregiver

# As the Métis Nation within Alberta plans to create our own Métis Child and Family Services law, we will focus on:

- ❖ Serving the best interests of Métis children and youth
- ❖ Considering Métis children's needs, given their age and stage of development
- ❖ Prioritizing Métis children's connection to their language, culture, and community
- ❖ Being notified of any significant measures for Métis children and youth
