for School

Eligibility Change

As this program continues to expand, CFS would like to remind Métis families that the eligibility criteria for the program will be changing.

What is changing?

Each child who applies to receive school supplies through the Gear Up for School program must be a fully registered Citizen of the Otipemisiwak Métis Government of the Métis Nation within Alberta.

This change will help ensure that this program serves its intended purpose, which is to provide Métis early learners with the supplies they need to begin their educational journey well.
