

Participation at the Citizens' Gathering

There are two primary avenues for participation at the 2025 Citizens' Gathering: proposals and special resolutions.

Proposals of the Citizens' Gathering

What is Considered a Proposal?

The Citizens' Gathering may, by ordinary resolution, adopt proposals to the Citizens' Council.¹ These proposals are verbal and advisory in nature.

A proposal should:

- Address a specific issue or topic relevant to the Métis Nation within Alberta.
- Clearly explain the suggestion or idea.
- Offer a recommended action or solution.

Example of a Proposal

Issue: "Many Citizens have expressed concerns about the availability of cultural education programs for our youth."

Suggestion: "I propose that we develop more cultural education programs for youth."

Recommended Action: "I move to propose that the Citizens' Council consider exploring partnerships with local educators and Elders to create and fund these programs."

How to Make a Proposal

1. Prepare your idea: Think about an issue or topic that you believe is important to you and other Citizens and communities of the Métis Nation within Alberta. Be clear about what you are suggesting and why it matters.
2. Wait for the Chair to open the floor: The Chair will announce when it is time for Citizens to present their proposals; listen carefully for this announcement.
3. Line up at the indicated microphones:
 - a. Once the Chair opens the floor for proposals, line up at the designated microphones.
 - b. Wait for your turn in the line.
 - c. Each Citizen must only table one proposal per turn at the microphone to ensure all Citizens have the chance to participate.
4. Address the Chair:
 - a. When it's your turn, begin by addressing the Chair respectfully. For example, "Mr. Chair."

5. State your proposal clearly:
 - a. Once you have been recognized by the Chair, state your proposal as outlined in the example above. "I move to propose that the Citizens' Council consider..."
 - b. Provide a brief description of the reasoning behind the proposal.
 - c. Each proposal must include a clear and concise description of the issue and the proposed advisory action.
 - d. A proposal must be seconded to be considered. If no one seconds the proposal, the matter is not considered.
6. Discussion of proposals:
 - a. After a proposal has been moved and seconded, the floor will be opened for discussion.
 - b. Citizens wishing to speak must be recognized by the Chair.
 - c. Speakers may speak only once per proposal until all interested have spoken.
7. Response to proposals:
 - a. Each motion properly tabled and accepted by the Chair must be resolved (passed, defeated, tabled, or postponed indefinitely).
 - b. The Citizens' Council must submit a report to the Chair of any actions taken regarding proposals adopted at the preceding Citizens' Gathering, to be made public no later than 21 days before the next Citizens' Gathering. The Chair must make this report public in advance of the Gathering.²

Special Resolutions

Special resolutions must be submitted to the Chair no less than 28 days in advance of the first day of the Citizens' Gathering to allow for thorough review and decision as indicated in the Notice of Citizens' Gathering.³

Special resolutions may be introduced for the following purposes:

- To amend the Bylaws of the Métis Nation of Alberta Association, where such proposed amendment is in compliance with the Constitution and Otipemisiwak Métis Government Law(s);
- To adopt a law for the purpose of ratifying a modern-day treaty or land claims agreement within the meaning of section 35(3) of the Constitution Act, 1982; or
- Another purpose prescribed in Otipemisiwak Métis Government Law.

Decisions Requiring Approval by Special Resolution Under the Societies Act (RSA 2000)

Article 7.4 of the Bylaws of the Métis Nation of Alberta Association (2023) says:

Other than any matter requiring approval by Special Resolution of the Citizens in accordance with the Act, all matters that are to be voted on by the Citizens' at a Citizens' Gathering will be approved by vote of the Citizens in accordance with procedures to be established under the Constitution and any applicable Law.

In the Bylaws, "Act" means Alberta's *Societies Act*. The following decisions must be decided by special resolution under the *Societies Act*:

- The rescission of, alteration of, or addition to the bylaws of the society (15(1)).
- The alteration of the society's objects (objectives/purposes) to include an object or objects that may conveniently or advantageously be combined with the existing objects of the society, or to restrict or abandon an object of the society (16(1)(a), 16(1)(b)).
- The sanction of the issue of debentures in accordance with the authority of the society's bylaws (18(2)).
- The adoption of an amalgamation agreement (32(3)).
- The surrender of the society's certificate of incorporation (34(1)).
- The authorization of an application for continuance in another jurisdiction (36.3(2)(a)).
