DECISION OF THE OTIPEMISIWAK MÉTIS GOVERNMENT JUDICIAL TRIBUNAL

RE: ELECTION APPEAL 2025-04: WRITTEN OR ORAL SUBMISSIONS

Members of the Otipemisiwak Métis Government Judicial Tribunal met on July 9, 2025, to determine whether the above-mentioned appeal will be determined by oral or written submissions as per Section 115(1) of the *Elections and Referenda Act*.

It was determined that this appeal will be determined by **written submission**, and such submissions must be received by the Judicial Tribunal **no later than close of business (4:30 pm) on July 18, 2025**.

Specifically, the Judicial Tribunal asks that the Chief Electoral Officer provide their interim report on the election in question, or in the event that such a report is not yet available, that the Chief Electoral Officer provides the Judicial Tribunal with the information that would normally be included in an election report, including any information available on the electronic voting process used for the election in question.

Further, the Judicial Tribunal asks the respondent Heather Seale to confirm receipt of the appeal and advises that she may provide written submissions in response to the appeal but a response is not specifically required.

Dated this 9th day of July, 2025

Lindsay Henderson, Clerk of the Judicial Branch
On behalf of the Otipemisiwak Métis Judicial Tribunal
